MS SEQUENCE

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Commissioner:

Pursuant to 37 C.F.R. § 1.821(e), Applicants respectfully request that the sequence information previously submitted in parent application ("parent application"), U.S. Serial No. 08/233,002 filed April 25, 1994, now issued as Patent No. 5,747,469, be transferred to and used in the above-referenced patent application ("instant application"). Only one computer readable sequence listing was submitted to the U.S. Patent and Trademark Office in the parent application. The sequence information in the instant application is identical to the sequence information contained in the previously-filed computer readable sequence listing in the parent application. It is understood that the U.S. Patent and Trademark Office will make the necessary change in application number and filing date of the computer readable form that will be used for

the instant application. A paper copy of the sequence listing is included in the originally-filed specification of the instant application.

Applicants request the transfer of the previously-filed computer readable sequence listing from the parent application to the instant application is in lieu of filing a duplicate computer readable sequence listing.

No fee is believed to be due in connection with the filing of this document; however, should any fees under 37 C.F.R. §§ 1.16 to 1.21 be deemed necessary for any reason relating to this document, the Commissioner is hereby authorized to deduct said fee from Fulbright & Jaworski Account No.: 50-1212/INRP:050USC1.

Respectfully submitted,
